1- PORT AGENCY, LOADING AND DISCHARGING ATTENDANCE SERVICES

Weighbridge discharging reports followed instantly by OCEAN SHIPPING AND AGENCY LIMITED INC central operation office are regularly sent to the cargo owners and all related parties in timely manner. Hourly discharging rates, percental values of the cargo discharged and remained on the vessel and many other information such as their quantities in MT and estimated completion times of discharging operation are shared with the concerned groups.

Our operations team is always in attendance in such vessels at port to provide support during loading and discharging operations.

For more information please visit our website.

2- BOSPHORUS TRANSIT AGENCY SERVICE

Services of following the procedures such as entry, exit of your vessels, anchoring, weighing the anchor, timely informing our clients, mail delivery are provided by our experienced personnel and captains in the best manner.

We provide such services for 24 hours in 365 days. Passage of vessels through the strait are realized without fault by means of the latest technology.

3- DRYDOCK SHIP AGENCY SERVICE

In addition to our shipowner services, we support shipyard entry decisions of our vessels from price inquiry to arrangement of drydocking by carrying out all formalities and the services inside shipyard.

Vessel traffic control procedures provided within the scope of drydocking ship agency, ship staff changing procedures, services for welcoming and accommodating crew, ship follow procedures, ship berthing-unberthing procedures, port dues, sanitary dues and light dues payments, certification procedures and exemptions, delivery of spare parts (in Tuzla port area and Yalova ports), crew change by motor boat and all other services related to drydocking process are diligently provided by our professional team.

4- YACHT SERVICES

Our company provides both boat owners and charter passengers with high quality services. We have an expert staff to provide you with consultancy service in operations for your yacht.

Our expert team will meet all requirements of your yacht in a professional and private manner. All problems of your yacht will be solved thanks to our tailor-made solutions.

We are at your disposal in your customs procedures, passport procedures, supply and technical support processes, port-marine entry and exit, transloce (translok) and all other services. We also provide the services of yacht/boat purchase, sales and leasing procedures.

5- BOAT LAUNCH SERVICES

Our clients are satisfied with perfect and timely provision of services by our experienced captains and seafarers on our motor boats.

All your provisions, materials and ship spare parts for the vessels waiting near Ahırkapı anchorage area are delivered carefully and the most safely to the ship.

Also, we provide launch services near Büyükdere and Çanakkale anchorage areas by big boats equipped with crane and fast engines.

6- AIRPORT TRANSFER SERVICES

We welcome personnel or visitors at the airport, and following their visa procedures we conclude their entry to Turkey.

We take them to the destination by our cars or if they stay at a hotel, a proper hotel is offered.

7- BUNKERING SERVICES

Ocean Shipping provides oil/fuel services at all ports of the world with its expert staff. Our primary target is to realize the most economic and problem-free refueling for your ships.

Particularly, in Istanbul, all your demands related to transit pass or free anchoring areas are met quickly. Also, refueling at the ports and shipyards and at the same time, oil supply in bulk and in drums are carried out by land tankers with the most repetitive prices.

As Ocean Shipping, we will be pleased with working with you.

8- SHIP SUPPLY SERVICES

Ocean Shipping is your one-stop resource for all of your stores and provisions. We serve vessels offshore and in port, whether it is at berth, anchorages or off-port limits.

We stock a wide range of specialist products to satisfy every crew. Of course we can also arrange to stock special items that are regularly needed on request.

Our global sourcing team makes sure that economies of scale are always exploited. Provisions and stores items are sourced locally in competitive areas and distributed to local warehouses directly.

All products can be accompanied by certifications as required.

Provisions, Cabin Stores and Deck & Engine Stores

For more information please visit our website.

9- CUSTOMS CLEARANCE SERVICES

Our company has been carrying out customs entry of transit parts from foreign countries and delivery of the same to the ship, sending the spare parts from ships to foreign countries and transit transfers of such spare parts within the body of its organization since it was established.

Services for coming and going parts and materials to/from airports are provided during working hours and in emergency, such services are also carried out outside working hours by informing you in this respect.

10- CHARTERING

The vessels managed or chartered by us are suited to ideally bulk, general, steel product, palletized and bagged cargo commodities due being boxshaped holds allowing easy access for loading/discharging and reducing risk of damage to cargo carried.

Our vessels trade with movable bulkheads which allow for the seperation of different types of cargoes as required. Also, our vessels are suitable for sea-river navigation due~having shallow draft and low airdraft.
